

What I already know

I have been introduced to the idea that artists transform materials and objects to make something new.

I have been introduced to the idea that we can bring materials together, construct and transform them into new forms.

I have been introduced to the idea that 2d can become 3d.

I have been introduced to the concept of Design Through Making.

I have been introduced to the idea that there are many different reasons to make art.

Core Learning

To know how to use my imagination to play and explore using materials

To know how to use my imagination to reinvent a stick

To reflect on my artwork and that of my peer's

Sticky Learning

That artists use their creativity to look at the world in new ways, and use their hands to transform materials into new things.

That making art can be playful and fun. That we can create things for other people to enjoy/use.

That we can use our imagination to help us shape the world.
