

Monday 29<sup>th</sup> November

Good Morning Garden Class,

I'm Sorry we can't be together today but I hope you have all had lots of fun in the snow. I have set a few tasks for you to complete below ready to bring in and share with everyone tomorrow. Have a lovely day and I will see you all tomorrow.

Mrs. Thomas 😊

- Follow the link on the school website for phonics games. [https://marston-montgomery.eschools.co.uk/web/the\\_garden\\_class/571811](https://marston-montgomery.eschools.co.uk/web/the_garden_class/571811)
- In Maths ladybirds please practice your number bonds to 10. How many 3d shapes can you find in your house/make out of snow?
- Dragonflies please practice your 2 and 5 times tables.
- Caterpillars draw 4 of your favourite toys.
- For English can you write a letter to the class telling us all about the exciting things you have done today ready to share tomorrow.
- This Afternoon we will be looking at the Nativity story. First I would like you to think about why Jesus was special? What do people do when they are preparing for a baby? How do they make the babies room special? What might go in it? Next follow the link to watch the nativity story <https://www.bbc.co.uk/teach/class-clips-video/religious-studies-ks1-the%20christian-story-of-the-first-christmas/z7fp382> (BBC Teach The Christian Story of the first Christmas KS1) Below are the pictures for children to sequence. Please can Dragonflies re-write the Nativity story.

See you all tomorrow.

Ladybirds: Cut these images out and stick them in the correct order onto the next page. Caterpillars pick 4 which you think are the most important and put in order.
